Re: EDCO Board Member Vote  
Date: June 10, 2019

EDCO BOARD

The Board of the Directors of the EDCO Collaborative consists of one voting member from each member district. The voting member is either a Superintendent of Schools or a School Committee member and is appointed annually by the member district's School Committee.

Using its authority to establish standing committees to assist the Board in its annual business, the Board of Directors of the EDCO Collaborative also has an Advisory Council to the Board to meet concurrently with the Board of Directors and provide guidance to the Board in its decisions. The Advisory Council to the Board shall consist of one member from each member district who shall be appointed annually by the member district School Committee. The Advisory Council member may be either a Superintendent or a School Committee member, whoever is not serving currently as the voting member of the Board of Directors. The Advisory Council member may receive Board materials, participate in Board discussions, and be appointed to Board Subcommittees, but the Advisory Council Member has no voting privileges on the Board of Directors.
